

Trailside Discovery Camp

Summer Van Schedule 2016

Van transportation will be provided to and from the Campbell Creek Science Center from four (3) convenient locations. Please plan to arrive at least ten (10) minutes before the scheduled time of the van pick-up or drop-off from the site. The van has more than one pick-up point, and they need to stay on schedule as closely as possible. In the event of day cancellation due to unsuitable weather, transportation delay of more than 20-30 minutes, illness of a child, or an accident requiring professional medical attention parents or guardians will be immediately contacted.

Please call the Trailside Discovery office at 274-KIDS to confirm your child's pick-up and drop-off location. To guarantee a seat on the van you must call and confirm no less than 10 days prior to start of session. Van space is limited sign up early.
